

## Case Management Transition Town Halls May 2 and May 14

Attention families, guardians and individuals in Jefferson and Clear Creek Counties currently receiving case management and resource coordination from DDRC for all Intellectual and Developmental Disabilities HCBS Waivers, State Supported Living Services and Family Support Services.

Mark your calendars to join a town hall discussion on the future of case management for Home and Community-Based Services hosted by the new Case Management Agency, Jefferson County Human Services, along with DDRC. Please come prepared to share questions or concerns you may have, as your feedback is important to us, and we want to make sure we address your needs.
