

Donate to DDRC's Rapid Response Fund

March 23, 2020

Dear DDRC Community and all looking to make a difference,

We are calling on you to be part of a Rapid Response Fund effort. Your **gift** today will have **double** the impact! Up to \$25,000 will be matched by the Mai Family Trust, Charlotte and Howard Mai.

In this time of concern and worry for the entire world, DDRC is doing all we can to ensure the well-being of the individuals and families we support as well as our invaluable staff.

This situation is impacting DDRC in many ways including the individuals we support residentially, for whom our staff provides 24-hour care, and for many other individuals and families who are facing significant needs.

Our residential staff have been steadfast in this incredible time of uncertainty and are providing the utmost care to the individuals we support in Quality Living Options, DDRC's residential program. Your help in this area will greatly aid the men and women we support. Your donation will cover crucial direct care staffing costs and needed supplies such as personal protective equipment, and devices and technology to help residents stay connected to family and community. It will also help ensure continuity of care from other direct care professionals who will still be needed once this crisis passes.

During this difficult time, we appreciate your generosity to support individuals and families in unprecedented circumstances.

As always, the health and wellbeing of the individuals we serve, their families, and our staff is and will continue to be our highest priority. At this time, DDRC has decided to close both the Weiland and Walters programs as well as to have staff work remotely to ensure the safety of all regarding COVID-19. The reopening of these programs will be reassessed based on the recommendations of governmental and health authorities.
