

Children’s Extensive Support

HCBS-CES

Home and Community Based Services Children’s Extensive Support

Purpose

CES provides a variety of individualized and flexible Medicaid waiver services and supports to children with developmental disabilities or delays who have the most intensive behavioral and/or medical needs and are at high risk of out-of-home placement. These intense services and supports provided to the child are intended to enable the parents/guardian to keep their child at home as part of their family and community.

Who is served?

Children (birth through age 17) who have significant medical and/or behavioral needs. These children require near constant line-of-sight supervision due to one or more of the following: (a) self-injurious or self-endangering behavior or medical condition which, without intervention, will result in a life threatening condition or situation; (b) a demonstrated pattern of serious aggression toward self, others or property; or (c) constant vocalizations which are a significant disruption to family life.

Is there a waiting list?

No.

Program is ideal for:

Children/youth with intensive behavioral and/or medical needs at high risk of out-of-home placement.

What are the functional and financial eligibility criteria?

1. Must meet functional guidelines for ICF-MR level of care
2. Child’s income and resources must meet financial qualifications for Long Term Care Medicaid.
