Dear Reader,

Attached you will find the Developmental Disabilities Resource Center (DDRC) Financial Statement Audit for the fiscal year ended June 30, 2011. DDRC is required to have an annual financial statement audit conducted by an independent certified public accountant. Their audit is conducted in accordance with auditing standards generally accepted in the United States of America as established by Auditing Standards Board of the American Institute of Certified Public Accountants. The audit has been reviewed by the Finance Committee of DDRC with a partner of Logan, Thomas & Johnson LLC, our independent certified public accounting firm. The audit has also been presented to the full Board of Directors.

In the interest of disclosure to the public, DDRC has voluntarily chosen to post our audit on our website.

Non-profit accounting can be a very complicated subject. If during your review of DDRC's audited financial statements there are questions please feel free to contact myself for additional clarification.

Sincerely,

Robert A. DeHerrera, CPA

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors  
Developmental Disabilities Resource Center

We have audited the accompanying consolidated statement of financial position of Developmental Disabilities Resource Center and Affiliates (the Center) as of June 30, 2011, and the related consolidated statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Center's 2010 financial statements, and in our report dated November 4, 2010, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America as established by the Auditing Standards Board of the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Developmental Disabilities Resource Center and Affiliates as of June 30, 2011, and the changes in their net assets and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Developmental Disabilities Resource Center and Affiliates  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
June 30, 2011

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Developmental Disabilities Resource Center and Affiliates (the Center) is presented to assist in understanding the Center's financial statements.

1. *Principles of Consolidation*

The consolidated financial statements of Developmental Disabilities Resource Center includes its affiliates, Jefferson County Community Center Housing Corporation (HUD I) and Jefferson County Community Center Housing Corporation II (HUD II). Significant intercompany accounts and transactions have been eliminated.

2. *Summary of Business Activities*

Developmental Disabilities Resource Center, f.k.a. Jefferson County Community Center for Developmental Disabilities, Inc. was incorporated under the laws of the State of Colorado in 1964 for the purpose of providing a community center board to coordinate programs through interagency cooperation and local agencies to provide services to persons with developmental disabilities in Jefferson, Clear Creek, Summit and Gilpin Counties. The Center's revenue comes primarily from the State of Colorado for services provided and from mill levy revenue from Jefferson County.

3. *Description of Services Provided*

The major program services or supports and functional activities directly provided or purchased by the organization are:

**Program Services or Supports**

Comprehensive (State and Medicaid) refers to residential services, adult day services or supports and transportation activities as specified in the Individualized Plan. Included are a number of different types of residential settings, which provide an array of training, learning, experiential and support activities provided in residential living alternatives designed to meet individual needs. Additionally, adult day services provide opportunities for individuals to experience and actively participate in valued roles in the community. These services and supports enable individuals to access and participate in typical community activities such as work, recreation, and senior citizen activities. Finally, transportation activities refer to "Home to Day Program transportation" services relevant to an individual's work schedule as specified in the Individualized Plan. For these purposes, "work schedule" is defined broadly to include adult and retirement activities such as education, training, community integration and employment.

Adult Supported Living (State and Medicaid) provides individualized living services for persons who are responsible for their own living arrangements in the community.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. *Description of Services Provided (Continued)*

**Program Services or Supports (Continued)**

Children's Extensive Support is a deeming waiver (only the child's income is considered in determining eligibility) intended to provide needed services and supports to eligible children under the age of 18 years in order for the children to remain in or return to the family home. Waiver services are targeted to children having extensive support needs which require constant line-of-sight supervision due to significantly challenging behaviors and/or coexisting medical conditions. Available services include personal care, home modification, specialized medical equipment and supplies, professional services, community connections and respite.

Early Intervention is for children from birth through age two which offer infants and toddlers and their families services and supports to enhance child development in the areas of cognition, speech, communication, physical, motor, vision, hearing, social-emotional development, and self help skills; parent-child or family interaction; and early identification, screening and assessment services.

Family Support provides an array of supportive services to the person with a developmental disability and his/her family when the person remains within the family home, thereby preventing or delaying the need for out-of-home placement, which is unwanted by the person or the family.

Case Management is the determination of eligibility for services and supports, service and support coordination, and the monitoring of all services and supports delivered pursuant to the Individualized Plan, and the evaluation of results identified in the Individualized Plan.

Other Program Services include services provided under a number of different grants, as well as the operation of the Margaret Walter and Robert Weiland Centers.

**Supporting Services**

Management and General includes those activities necessary for planning, coordination and overall direction of the organization, financial administration, general board activities and other related activities indispensable to the Center's corporate existence.

Development helps diversify the resources available to the Center and to people with developmental disabilities by writing grants, encouraging donations, supporting fund-raising efforts, recruiting and managing volunteers, and building a variety of opportunities through connections in the communities.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. *Basis of Accounting*

Financial statements of the Center have been prepared on the accrual basis, whereby support and revenue are recorded when services are performed and expenses are recognized when incurred.

5. *Use of Estimates*

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

6. *Subsequent Events*

The Center has evaluated events and transactions occurring subsequent to the end of the fiscal year for potential recognition or disclosure through November 28, 2011, the date on which the financial statements were issued. The Center did not identify any events or transactions that would have a material impact on the financial statements.

7. *Cash and Cash Equivalents*

For purposes of the statement of cash flows, the Center considers all cash on hand and cash on deposit, subject to immediate withdrawal, money market funds, and certificates of deposit with an original maturity of three months or less, to be cash equivalents.

The Center maintains some of its cash balances in several different financial institutions located in the Denver, Colorado metropolitan area, which at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

8. *Accounts Receivable*

The majority of the Center's accounts receivable are due from the State of Colorado. Accounts receivable are due according to contractual terms and are stated at the amounts management expects to collect from outstanding balances. The Center determines its allowance by considering a number of factors, including the length of time accounts receivable are past due and the Center's previous collection history. The Center writes off accounts receivable when they become uncollectible, and payments subsequently received on such receivables are recorded as revenue.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

9. *Certificates of Deposit*

Certificates of deposit consist of four individual certificates with interest rates between 0.16% and 1.40% and maturity dates between June 2011 and June 2012.

Designated certificates of deposit consist of two individual certificates, representing collateral for letters of credit (Note G), with interest rates of 1.29% and 1.39% and maturity dates of September 2012 and June 2012, respectively.

The Center maintains its certificates of deposit in three different financial institutions located in the Denver, Colorado metropolitan area, which at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on certificates of deposit.

10. *Land, Building and Equipment*

Land, building and equipment are reported at cost for purchased assets and estimated value, at date of receipt, for donated property. Depreciation and amortization are provided on the straight-line method over the following estimated useful lives:

	<u>Years</u>
Buildings and improvements	10 – 40
Administrative and program equipment	3 – 20
Transportation equipment	3 – 10

11. *Revenue Recognition*

Revenues are recognized when services are performed. The Center receives certain revenue for which if it does not spend all the revenue in the current year and the Center has met certain control points, it is allowed to recognize five percent of the total original revenue and the remaining excess revenue is deferred to the next year.

12. *Temporarily Restricted Revenue*

Donor restricted revenue, whose restrictions are currently satisfied in the same fiscal year, are reported as unrestricted revenue rather than temporarily restricted. Donor restricted contributions, whose restrictions are not currently met, are reflected as an increase to temporarily restricted net assets.

Developmental Disabilities Resource Center and Affiliates  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
June 30, 2011

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

13. *Income Taxes*

The Center is operated as a nonprofit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Center recognizes tax liabilities when, despite the Center's belief that its tax return positions are supportable, the Center believes that certain positions may not be fully sustained upon review by tax authorities. Benefits from tax positions are measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement. The Center has concluded there is no tax liability or benefit required to be recorded as of June 30, 2011.

14. *Prior Year Summarized Information*

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Center's financial statements for the year ended June 30, 2010, from which the summarized information was derived.

 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
 June 30, 2011

NOTE C – LONG-TERM DEBT (CONTINUED)

The first loan with a total outstanding balance at June 30, 2011, of \$2,375,000 was issued with taxable interest to its holders. This loan was used for the purchase, finishing and equipping of a new central administration site, as well as the purchase of some residential facilities. After the loan issuance date, a portion of this loan was converted to a tax-exempt issue. As of June 30, 2011, the balance of the tax-exempt issue was \$1,855,000, with an effective interest rate of approximately .49%. The taxable issue had a balance of \$520,000, with an effective interest rate of approximately .55% as of June 30, 2011. The taxable issue will remain taxable until the Center either leases the unoccupied portion of the administration building to another 501(c)(3) organization or occupies that space.

The second loan with an outstanding balance at June 30, 2011, of \$930,000 was used to refinance existing debt. This loan is entirely tax-exempt with an effective rate of approximately .49% at June 30, 2011.

CoHFA funded the loans through issuance of revenue bonds and assessed the Center \$234,117 for its pro rata share of deferred loan costs. Deferred loan costs at June 30, 2011, net of accumulated amortization, are \$66,509, which are being amortized over the life of the bonds.

These loans contain various debt covenants among which are the requirements to maintain a minimum balance in unrestricted net assets, minimum debt coverage ratios, and a minimum current ratio. The Center met its covenants at June 30, 2011.

These loans are secured by a letter of credit, which is renewed each year for the life of the loan. The letter of credit is set with a face value equal to the remaining outstanding balance of the loan plus 45 days of accrued interest. The Center's land and building act as collateral for the letter of credit. The Center is also responsible for paying a fee to the issuing bank of 1.25% per annum of the face value of the letter of credit.

Interest expense for the year ended June 30, 2011 was \$125,075. Future maturities of notes payable at June 30, 2011, are as follows:
