

Film Fest Celebrates IDD Awareness Month

The “Achieve With Us Colorado” Film Festival, organized by The Arc of Colorado with 13 local Arc chapters, and made freely available through the sponsorship of many entities, including DDRC, was a moving, eye-opening and not-to-be missed event! The film festival is organized as part of IDD Awareness Month in March.

DDRC and friends were there to enjoy connecting with a great crowd and shared the experience of seeing *Far From the Tree*, one of many films featured during the festival. Based on the New York Times bestseller of the same name by Andrew Solomon, the film was a powerful and beautiful exploration of all the ways it means to be a “normal family.”
