

# Medicaid Renewals Due & Help to Do So

*Notice for people who receive Medicaid /Child Health Plan+*

During the COVID 19 Public Health Emergency (PHE), members stayed enrolled in Health First Colorado (Medicaid) and CHP+ *even if they had household or income changes.*

The PHE is expected to end this spring and members will need to complete their financial redetermination paperwork to stay enrolled. Members who fail to fill out necessary information may lose their benefits.

Starting in March, and *throughout the next 14 months*, members of Health First Colorado and CHP+ will receive information to renew their coverage at their annual renewal date. Members will need to complete the necessary paperwork in order to see if they still qualify for Medicaid health coverage.

## **YOUR Renewal Date:**

To find the month/date of YOUR Medicaid renewal, follow the steps outlined on the Health First Colorado web page [here](#).

## **GET HELP:**

**Certified Application Assistance Sites (CAAS)** are available to help members with redetermination, new Medicaid enrollment, updates to your contact information and to answer questions. Find a [CASS site here](#).

It is important to make sure you have correct contact information on file with the county, including a current address, phone and email, if applicable. There are several **ways to make these updates**:

- Visit CO.gov/PEAK to update.
- Use the Health First Colorado phone app (Google Play or Apple App).
- CHP+ members can call 800-359-1991 (State Relay: 711).
- Contact your county department of human services, or your DDRC Resource or Service Coordinator.
