Consumer Directed Attendant Support Services

Presentation Speakers

DDRC Resource Coordination

Liz Pahr is the Director of Resource Coordination for DDRC.

DDRC is the case management agency for Jefferson, Gilpin, Clear Creek, and Summit County. DDRC determines eligibility for intellectual and developmental disability services and administer both children and adult waiver services. We are also responsible for ensuring individuals meet the financial and functional eligibility requirement for each waiver as well as development and monitoring of the individualized service plan.

DDRC is also responsible for ensuring that services are being provided through the correct funding source, that there is no duplication of services, and approval of services based on the State rules and guidelines.

Contact your DDRC at 303-233-3363. For individuals already connected to DDRC, please ask to speak to your DDRC Resource Coordinator.

Consumer Direct Care Network Colorado

Kady Predota is the State Director for Consumer Direct Care Network Colorado, the CDASS Training and Operations Vendor contracted through the State of Colorado (Health Care Policy and Financing). Kady has been the State Director with Consumer Direct since 2015 and has worked with people with disabilities and the elderly since 2008.

Consumer Directed Attendant Support Services (CDASS) is a Colorado Medicaid waiver service that allows members flexibility and control over their homemaker, personal care and health maintenance services. Clients are allocated a budget of funds based on their needs and qualifications that they can use to hire family, friends and attendants of their choosing to complete their care. A Financial Management Service provider (FMS) of their choosing assists with all the payroll and paperwork responsibilities.

Consumer Direct's role is to train Clients/Authorized Representatives the tasks of managing their CDASS services and directing their care. We also provide Case Manager training and ongoing support.
