

HCBS-DD Developmental Disabilities Waiver Fact Sheet

HCBS-DD	Home and Community Based Services Persons with Developmental Disabilities
Purpose	<p>HCBS-DD provides Medicaid waiver funded residential services for adults who require extensive supports to live safely in the community (including access to 24-hour supervision) and who do not have other sources for meeting those needs.</p> <p>Individuals may choose to live and receive services in the family home, or may elect to live and receive services outside of the family home. Options for living outside of the family home include group home, host home, and apartment settings. The level of supervision and support provided to the individual in each setting is based on individual need.</p> <p>Whether living within or outside of the family home, individuals may choose to receive services by staff of a Program Approved Service Agency or by a family member under the Family Caregiver Act. To be a paid provider, family members must become an employee of a Program Approved Service Agency.</p>
