

Rockin' the Runway Together

Mark your calendars for **Rockin' the Runway Together**, a **free**, uplifting event happening Saturday, June 8th from 5 – 7 p.m. at the Belmar Plaza in Lakewood. The event will bring people together over fashion, music, food trucks, and fun!

Those walking the runway include people of ALL abilities to show that individuals with disabilities belong alongside their fellow community members—not on the sidelines! People from area businesses, nonprofits, local government and neighbors will model along with those from the event leads of Developmental Disabilities Resource Center, Colorado Miss Amazing and The Arc Jefferson, Clear Creek & Gilpin Counties.

Party Pro DJs, Paul Mitchell (Salon) -The School, the Colorado Media School, Belmar Management, and The Arc Thrift Stores are partnering with event organizers to lend or donate resources and talents to the event. In the process, they are getting acquainted with individuals with intellectual and developmental disabilities, showing their commitment to inclusion and helping to create the fun!

Food trucks will offer a tasty fare, and we're looking forward to the possibility that there will be a fashion trailer too! So, stop by, applaud the models as they show their fashion sense, enjoy the music by Party Pro DJs, show appreciation to our event partners—and help us stand tall for this event!

The event is outside in the Belmar Plaza. In the event of rain, the show may be delayed, but will continue when the weather clears. Mark your calendars now for June 8th (5-7 pm).
