IX – BUSINESS

A. EXECUTIVE DIRECTOR'S REPORT

- On October 31st, the Governor released his proposed budget for the state's 26-27 fiscal year. Long Term Services and Supports (LTSS), which includes IDD, serves 5% of total Medicaid members but consumes 42% of the overall spending. The Governor's budget includes cuts in several areas to balance the state's structural budget deficit that is between \$850 million and \$1 billion for FY 26-27. Many of these items are in combination with or in addition to the numerous cuts issued through Executive Order as part of the Special Session. The Joint Budget Committee (JBC) will be holding briefings and hearings where we will learn more.

Specific to the budget:

- Department of Health Care Policy and Financing (HCPF)
 - 510 emergency and reserved capacity HCBS-IDD resources.
 - No HCBS-IDD waitlist resources.
 - No provider rate increases or across the board rate cuts.
 - Reduction of IDD churn enrollment by 50%, meaning it will take two vacated resources to move one individual into the IDD waiver.

- In the area of youth transition enrollment, the budget ends the ability to request transition from Children's Extensive Support (CES)/Children's Habilitative Residential Program (CHRP) to the IDD waiver based on CES/CHRP enrollment.
- Age restrictions for Community Connection.
- HCPF is requesting to reorganize the Long Bill to move funding and staff from the Office of Community Living into the Medical Services Premium line, which is a vast budget that includes the Medicaid state plan and all waivers. There is concern that there will be reduced transparency of IDD funding, a loss of awareness of IDD services and potentially a loss of IDD focused legislative meetings with the JBC, including the budget briefing, hearing and figure setting.
- Several other cuts are not specific to waivers but could impact individuals with IDD who receive services through long-term home health.
- Colorado Department of Early Childhood
 - \$2.2 million general fund for Early Intervention caseload increase. However, with adjustments made to the prior year budget for both general fund and Medicaid dollars, the net increase is \$155,000.
 - No provider rate cuts or increases.

Part of these balancing measures include several items happening this year legislatively that could change. For example, the state is exploring privatizing Pinnacol, which could save \$400 million and if in fact this was unsuccessful additional cuts may be needed.

The next state revenue forecast will be presented on December 19th.

- DDRC proudly nominated three outstanding staff for the national ANCOR Direct Support Professional of the Year Award including Marshal Sears from Quality Living Options, Amanda McConnell from Employment Services and Madison Hovanec from Adult Vocational Services for their dedication to the DDRC mission, leadership and compassion to their teams and the individuals we serve.
- We're proud to have DDRC's IT Director, Lambert Hubel, announced as a 2025 IT Transformation Award Winner by Info-Tech Research Group. Lambert and his team received this award for successfully implementing strategic IT initiatives aligned with organizational goals and achieving measurable results. Congratulations to Lambert and the entire IT Team.
- There is a new Community Services Status Report included in the Board packet that was reviewed and approved by the Community Services Committee. It is one step in the new reporting being worked on internally to provide better data to the Board. Thanks go to Lindsay Menough and Theresa Vosbert to their work on the improved report.
- On November 3rd, the Colorado Department of Public Health and Environment (CDPHE) conducted a recertification survey of our waiver programs and part of an every three-year cadence. We received positive feedback about improved programs and increased efficiencies. There were a small number of items identified that need attention and staff has

DDRC Board of Directors Mtg --- Minutes – December 10, 2025

completed and submitted the plan of correction. Lindsay, Theresa and our waiver directors Kerrianne Rigney, Eric Koch, Meghan Horihan and Heather Hagen did a great job.

- Colorado Gives Day (CGD) was December 9th. Thank you to all the Board members who donated to CGD or our Annual Appeal. CGD generated \$34,000 compared to \$68,000 in 2024. This is partly attributed to donors who previously gave to CGD moving their donation to our Annual Appeal to help secure the Mai Family Trust match. Staff will bring back final results and donor metrics to the January meeting.
- This was Jane Byron's last meeting. She is retiring from her role as Director of Human Resources in January. She has dedicated 40 years to DDRC in a variety of positions. Her steady hand at the helm of HR has contributed to the success of DDRC. We want to thank Jane and wish her well in retirement.
